

The elegant design of this retro radio with its wooden housing and the rounded edges reminds of the 50's to 70's.

Equipped with an aluminium handle bar, big high-quality turning knobs on top and very durable buttons on the front make this DAB+ radio perfect for the use in your living room, kitchen oder study. Thanks to 2 alarm timer, sleep timer and dimming function it is also very useful in your bedroom.

The massive wooden housing guarantees an excellent sound quality and in combination with the 7 Watt speaker creates a good and powerful volume.
