

## ALBRECHT OS-400

The **OS-400 soundproof headphones** have a **3.5 mm jack plug** and can be connected, for example, to the Albrecht ATR400 Tour Guide receivers.

They are **perfectly suited for use in noisy environments** to reduce sounds and noises. This allows the user to listen to the tour guide's information **without being disturbed**.

The sound-insulating earphones are certified according to **DIN** standard **EN 352-1** and **EN 352-4** ( earmuffs) and offer an SNR attenuation value of 25 dB

### KEY FEATURES

**Attenuation value of 25 dB**  
ensure silence in noisy environments

**3.5 mm jack plug**  
for the widest possible range of applications

**Fits almost every head**  
due to adjustable sizes

**Very light and comfortable**  
only 300 g of weight
